

## TECHS 2006-07

### Enrollment Application

(This application is a non-binding form. Information gathered from this will be used as contact and curriculum development information only)

TECHS is a year-long course designed for students in grades 10-12 who have a strong interest in technology for personal and vocational use. Your ESU will be partnering with the TECHS instructional team in supporting the class during 2006-07.

Our school district will be offering the TECHS class as an option for students in 2006-07.

At this time, we can provide you with the following information regarding that class:

#### Course for credit:

\_\_\_\_\_ We have approved the class as an offering with credit at our school. (\_\_\_\_\_ of earned credits for this course)

\_\_\_\_\_ We have approved the class as an offering but will not provide credit.

#### Student Registration:

We have completed the registration process and have the following projected student numbers:

\_\_\_\_\_ Male                      \_\_\_\_\_ Female                      \_\_\_\_\_ Total Students

#### Instructor and contact for the course:

Currently, we anticipate that \_\_\_\_\_ will be the instructor for the class. His/her email address is \_\_\_\_\_.

#### Questions or comments you might have about this program:

School: \_\_\_\_\_

Form Completed By: \_\_\_\_\_

Email Address: \_\_\_\_\_
