

TECHS 2006-07
TECHS Interest Form

TECHS is a year-long course designed for students in grades 10-12 who have a strong interest in technology for personal and vocational use. Your ESU will be partnering with the TECHS instructional team in supporting the class during 2006-07.

After hearing about TECHS, we would appreciate you completing this survey expressing what interest you might have in this offering. This information will be used to followup on that interest.

2005-06 Participants:

_____ We participated in TECHS in 2005-06 and are interested in offering it as a course to our students for 2006-07.

_____ We participated in TECHS in 2005-06 and are interested in offering it as an independent study class for 2006-07.

_____ We participated in TECHS in 2005-06 and are interested in offering the class but do not plan on giving credit for the class.

_____ At this time, we are not interested in participating in TECHS 2006-07

New Schools To TECHS:

_____ We are interested in offering TECHS as a course to our students for 2006-07.

_____ We are interested in offering TECHS as an independent study class for 2006-07.

_____ We are interested in offering TECHS but do not plan on giving credit for the class.

_____ We are not interested in participating in TECHS 2006-07.
